The information you provide on the form must match that of your FSRC Players' Club account(s) in order for a statement to be mailed to you. The Win/Loss Statement(s) will reflect our records of your card-in play for the year(s) you request, as of the date indicated on the form. It is an individual player's own responsibility to keep accurate records of gaming wins and losses for income tax purposes each tax year. The Statement will only provide you with an estimate of your wins and losses and is dependent on the proper use of the Players Club Card. Year-end requests will be processed starting January 1st. **Due to the high volume of requests during tax season, please allow 2-3 weeks for the processing of your request.**
